

Photography and Camera Policy

Thank you for visiting Esker Foundation and engaging with our exhibitions. Esker Foundation encourages personal-use photography.

As you take photographs in the galleries, please keep the safety of the artwork in mind and be respectful of other visitors.

Please note:

- Still photography for personal use with a cell phone or handheld camera **is** permitted. **Signage** will be posted in areas where photography is **not** permitted.
- Video is **not** permitted.
- Use of a flash, tripods, extension poles (selfie stick), gimbals or similar accessories is **not** permitted.
- Professional photography or videography shoots are **not** permitted.

Photographs may not be published, sold, reproduced, transferred, distributed, or otherwise used for any commercial purposes.

Thank you
